

Being a student again —  
musings after having learned  
Romanian in 16 months

# Facts

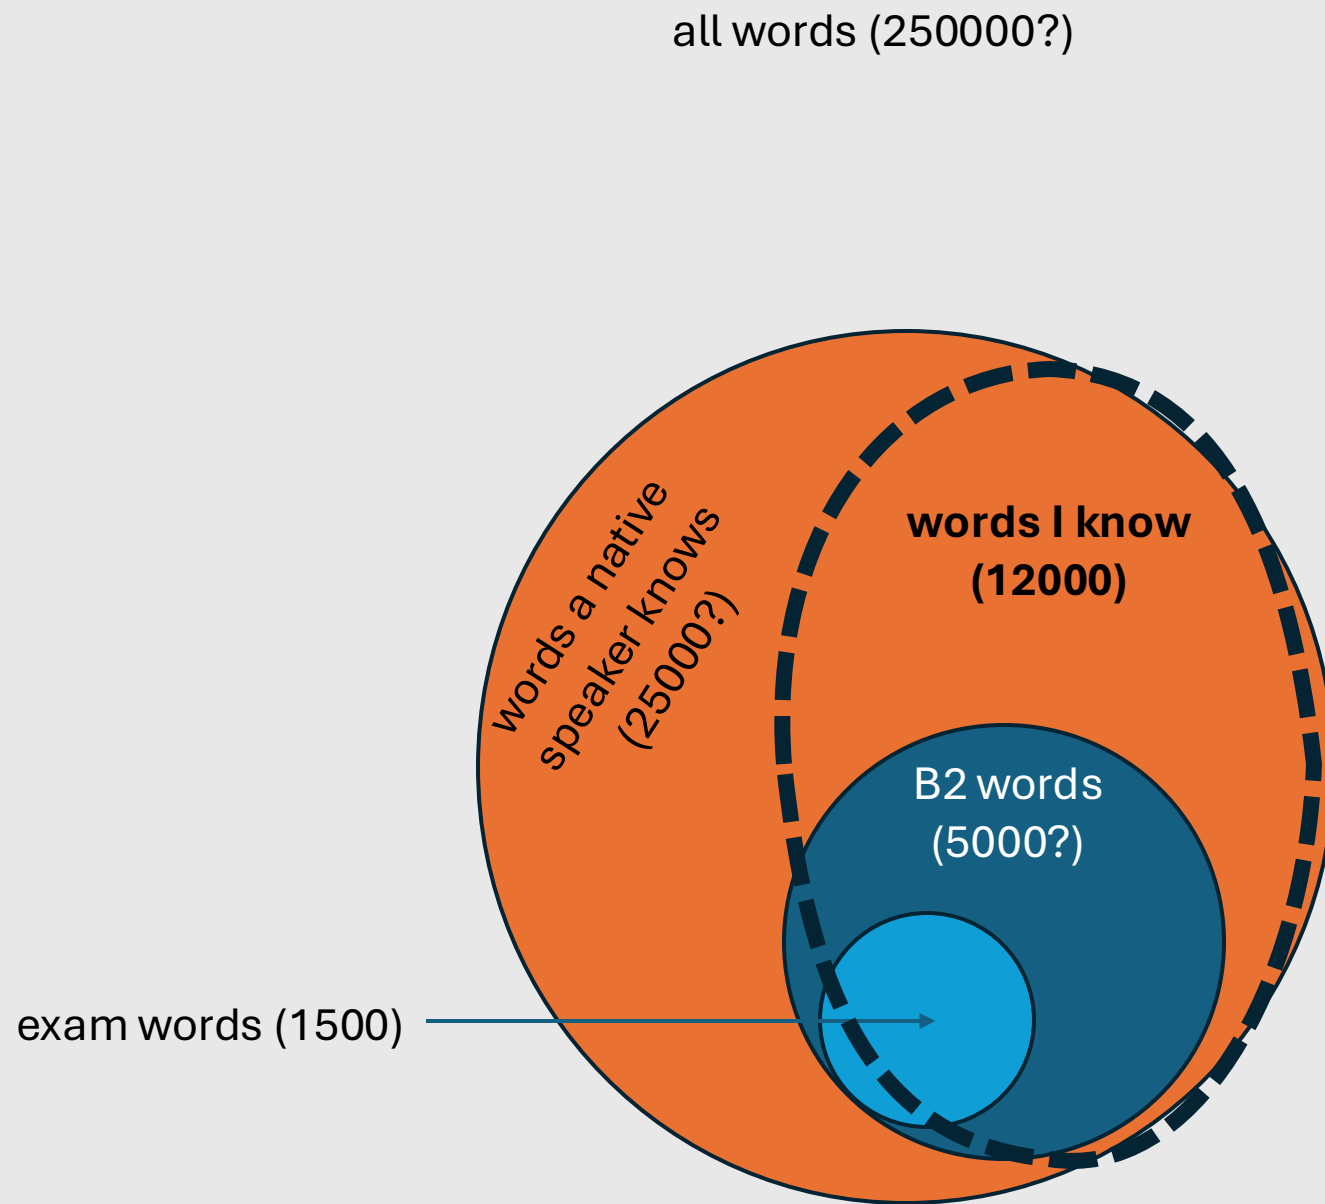

- Starting learning Romanian on 21 November 2022
- Passed the B2 exam with a 10/10 on 27 March 2024
- (I speak English and have quite some passive knowledge of French and a bit of Italian, so that gave me a headstart)

# Motivation

- Open question: can we somehow keep the playfulness and intrinsic motivation?

# Assessment

# Assessment

- What constraints do you have?
- Can you eliminate some of them?
